| 01 <sup>st</sup> Jan 2026 | <b>NEW YEAR CELEBRATIONS</b>                     | Visvodaya CBSE School celebrated the New Year on 31 December 2025 with the participation of staff members. The celebration was organized in a simple and cordial manner to mark the end of the year and to welcome the New Year with positivity and unity. The programme included brief interactions, sharing of good wishes, and reflections on the achievements of the past year. Staff members extended New Year greetings to one another, fostering a spirit of togetherness and mutual respect.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| 05 <sup>th</sup> Jan 2026 | <b>STUDENTS' AADHAAR UPDATION DRIVE</b>          | Visvodaya CBSE School conducted a Students' Aadhaar Updation Drive from 05 January 2026 to 09 January 2026 in collaboration with Kancharapalem Sachivalayam, under the initiative of the Government of Andhra Pradesh. The drive was organized to facilitate the updation of students' Aadhaar details, ensuring accuracy of records required for various academic and government-related purposes. Officials from Kancharapalem Sachivalayam carried out the updation process efficiently within the school premises. Students and parents cooperated actively during the drive, making the process smooth and successful. The initiative helped parents avoid inconvenience by providing Aadhaar updation services at the school itself. The school expressed its gratitude to the Government of Andhra Pradesh and the Kancharapalem Sachivalayam officials for their support in successfully conducting the drive.                                                                           |
| 05 <sup>th</sup> Jan 2026 | <b>PARENT-TEACHER MEETING FOR CLASS X</b>        | Visvodaya CBSE School conducted a Parent-Teacher Meeting (PTM) for Class X students on 05 January 2026, based on their Pre-Board Examination performance. The meeting was conducted under the guidance of Principal Mrs. Sunayana Sonawane. The objective of the meeting was to review students' academic progress, identify strengths and areas needing improvement, and to guide students and parents in preparation for the forthcoming Board Examinations. Subject teachers discussed individual performance details and provided suggestions for improvement. Principal Mrs. Sunayana Sonawane addressed the parents and students, emphasizing the importance of regular study, time management, discipline, and parental support during the crucial examination phase.                                                                                                                                                                                                                     |
| 06 <sup>th</sup> Jan 2026 | <b>NASO EXAMINATION RESULTS ANNOUNCEMENT</b>     | On 06 January 2026, Visvodaya CBSE School announced the NASO (National Aptitude and Scholarship Olympiad) examination results during the school assembly. A total of 76 students from Classes II to VIII participated in the examination. Out of these, 9 students secured Gold Medals along with certificates, demonstrating excellent academic performance. The medal winners also qualified for the Second Round, which is scheduled to be conducted in the second week of February. The achievers were congratulated and appreciated in the assembly, motivating other students to participate in competitive examinations. The announcement boosted confidence and enthusiasm among students and highlighted the school's encouragement of academic excellence.                                                                                                                                                                                                                             |
| 09 <sup>th</sup> Jan 2026 | <b>PONGAL CELEBRATIONS</b>                       | Visvodaya CBSE School celebrated Pongal with joy and cultural spirit on 09 January 2026. A special assembly was organized on the occasion, highlighting the significance of the harvest festival. During the assembly, Telugu teachers delivered speeches explaining the importance of Pongal, its cultural values, and its relevance in Indian tradition. Students actively listened and gained insight into the festival's message of gratitude and prosperity. Following the assembly, a Rangoli Competition was conducted, in which students enthusiastically participated and displayed their creativity using colourful designs. Students also brought traditional Pongal food, adding authenticity and festive flavour to the celebration. The programme was further enriched by dance performances by students, reflecting the joy and cultural richness of the festival. The celebrations created a vibrant atmosphere and helped students connect with Indian traditions and heritage. |
| 19 <sup>th</sup> Jan 2026 | <b>REOPENING AFTER PONGAL VACATION</b>           | Visvodaya CBSE School reopened on 19 January 2026 after the Pongal vacation held from 10 January 2026 to 18 January 2026. Students and staff returned to the campus with renewed enthusiasm to resume academic activities. The reopening marked the continuation of regular classes in a disciplined and smooth manner.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| 19 <sup>th</sup> Jan 2026 | <b>COMMENCEMENT OF PRE-BOARD EXAMINATIONS</b>    | Visvodaya CBSE School commenced the Pre-Board Examinations for Class X students starting from 19 January 2026. The examinations were conducted as part of the academic plan to assess students' preparedness for the forthcoming Board Examinations. The exams were held in a disciplined and systematic manner under the supervision of teachers. The assessment aimed to identify learning gaps and to provide focused academic support to students.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| 22 <sup>nd</sup> Jan 2026 | <b>NCC 'A' CERTIFICATE PRACTICAL EXAMINATION</b> | On 22 January 2026, NCC Senior Cadets of Visvodaya CBSE School appeared for the NCC 'A' Certificate Practical Examination held at Dr. Lankapalli Bullayya College, Visakhapatnam. A total of 48 cadets participated in the examination, which assessed their skills in drill, map reading, field craft, weapon training, and other NCC practical components. The cadets demonstrated discipline, confidence, and a strong sense of responsibility throughout the examination. The successful participation of the cadets reflected the school's commitment to promoting leadership, discipline, and patriotism through NCC activities.                                                                                                                                                                                                                                                                                                                                                           |
| 25 <sup>th</sup> Jan 2026 | <b>NCC 'A' CERTIFICATE FINAL EXAMINATION</b>     | On 25 January 2026, NCC Senior Cadets of Visvodaya CBSE School appeared for the NCC 'A' Certificate Final Examination held at Dr. Lankapalli Bullayya College, Visakhapatnam. A total of 48 cadets participated in the examination. The cadets showcased their knowledge, discipline, and training in various theoretical and practical aspects of NCC. Their sincere participation reflected the school's continued emphasis on character building, leadership, and patriotism. The school appreciated the efforts of all participating cadets and wished them success in the examination.                                                                                                                                                                                                                                                                                                                                                                                                      |

|                           |                                                            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

| 26 <sup>th</sup> Jan 2026 | REPUBLIC DAY CELEBRATIONS                                  | Visvodaya CBSE School celebrated the 77th Republic Day with great patriotism and enthusiasm on 26 January 2026 in the school premises. The programme was graced by the esteemed Chief Guest Shri P. K. Mishra, DGM, along with Shri B.K. Diwakar, MWEL, Shri M. S. R. Raju, AMWEL, and School Correspondent Shri G. Vidhya Sagar. The celebration began with flag hoisting, followed by the singing of the National Anthem. Students presented a variety of cultural programmes, including patriotic songs, dances, and speeches, highlighting the values of freedom, unity, and constitutional rights. The dignitaries addressed the gathering and encouraged students to become responsible citizens and contribute positively to the nation. The celebration concluded on a proud and inspiring note, strengthening the spirit of patriotism among students and staff.                                                                                                    |
| 28 <sup>th</sup> Jan 2026 | AWARENESS SESSIONS ON NUTRITION, HEALTH & WOMEN'S WELLNESS | Visvodaya CBSE School organized an awareness session on Nutrition and Health for students of Classes VI to IX on 28 January 2026 at the Kalamegha Auditorium, from 1:30 pm to 2:30 pm. The session was conducted by Dr. Vimala Kumari, Head of Dietetics, KIMS Hospital, and Visakhapatnam. During the session, Dr. Vimala Kumari explained the importance of balanced diet, healthy eating habits, hydration, and lifestyle choices for the overall growth and well-being of adolescents. Students actively participated and clarified their doubts related to nutrition and fitness. In addition, a separate session on Women's Health and Nutrition was conducted for the lady teachers, focusing on topics such as nutritional requirements, preventive health care, and maintaining a healthy lifestyle. Both sessions were informative and well-received. The programme helped create awareness about the importance of nutrition and health among students and staff. |
| 29 <sup>th</sup> Jan 2026 | QUIZ COMPETITION PARTICIPATION                             | On 29 January 2026, eight students of Class IX from Visvodaya CBSE School participated in a Quiz Competition organized by KIIT Deemed University in collaboration with The Hindu. The competition was held at Alluri Sitaramaraju Vignana Kendram, Visakhapatnam. The quiz provided students with an opportunity to enhance their general knowledge, logical thinking, and competitive skills. The participants represented the school with enthusiasm and confidence. All participating students received participation certificates, acknowledging their involvement and effort. The school appreciated the students' initiative and encouraged them to continue taking part in such academic enrichment activities.                                                                                                                                                                                                                                                       |
| 02 <sup>nd</sup> Feb 2026 | BOOK INSPECTION                                            | On 02 February 2026, Cdr. Shobhit Khanna, SSO (Schools) visited Visvodaya CBSE School for book inspection and overall review of academic and infrastructural facilities. During the visit, Cdr. Shobhit Khanna inspected students' notebooks and academic records and interacted with teachers regarding curriculum implementation and teaching-learning processes. He also visited the Atal Tinkering Lab, Computer Lab, and other important school premises, appreciating the facilities and their effective utilization. The visit was informative and motivating, providing valuable guidance for further strengthening academic standards and infrastructure development in the school.                                                                                                                                                                                                                                                                                 |
| 06 <sup>th</sup> Feb 2026 | PARIKSHA PE CHARCHA LIVE                                   | On 06 Feb 2026 Visvodaya CBSE School successfully conducted the 9th edition of Pariksha Pe Charcha (PPC) 2026 as per the instructions in the circular. Students of Classes VI to X, along with teachers, viewed the programme in the school premises on 6th February 2026 from 10:00 AM onwards. The programme helped create awareness about stress-free examinations and promoted confidence and positivity among students. The event was conducted smoothly with active and enthusiastic participation.                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| 06 <sup>th</sup> Feb 2026 | GREEN DAY CELEBRATION                                      | On 06 Feb 2026, Green Day was celebrated successfully for students from Play Group to UKG with great enthusiasm. Children participated in activities by wearing green attire, enjoying green fruits and snacks, and engaging in fun learning activities. A group germination activity was conducted, and students were given young plants to take home, helping them understand the importance of caring for nature. The programme was conducted smoothly and met its educational objectives.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| 07 <sup>th</sup> Feb 2026 | AKHIL BHARATIYA RAJBHASHA HINDI OLYMPIAD                   | On 07 February 2026, Visvodaya CBSE School successfully conducted the Akhil Bharatiya Rajbhasha Hindi Olympiad for students of Classes III to IX. A total of 204 students enthusiastically participated in the Olympiad. The examination aimed to promote proficiency in the Hindi language, enhance vocabulary, grammar skills, and encourage interest in the national language among students. The Olympiad was conducted in a smooth and disciplined manner under the supervision of teachers. The large participation reflected the students' keen interest in language learning and competitive examinations.                                                                                                                                                                                                                                                                                                                                                           |
| 09 <sup>th</sup> Feb 2026 | COMMENCEMENT OF ADMISSION PROCESS                          | Visvodaya CBSE School commenced the admission process for the Academic Year 2026-27 on 09 February 2026. The admission process was initiated smoothly with the release of application forms and necessary guidelines for parents. Information regarding eligibility criteria, required documents, and important dates was communicated clearly to ensure a systematic and transparent procedure. The school administration made necessary arrangements to assist parents with queries and provide complete guidance regarding the admission formalities. The commencement of the admission process marks the beginning of preparations for the upcoming academic year, with a continued commitment to academic excellence and holistic development.                                                                                                                                                                                                                          |
| 16 <sup>th</sup> Feb 2026 | LOGIQUIDS OLYMPIAD EXAMINATION                             | On 16 February 2026, Visvodaya CBSE School conducted the Logiquids Olympiad Examination for students of Classes VII to IX. A total of 19 students participated in the examination. The Olympiad focused on assessing students' logical reasoning, analytical skills, and problem-solving abilities. The participants appeared for the exam with enthusiasm and confidence. The examination was conducted in a smooth and disciplined manner under the supervision of teachers. Participation in the                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

|                           |                                                          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |

|                           |                                                          | Logiquids Olympiad provided students with valuable exposure to competitive assessments and helped enhance their reasoning skills. The school appreciated the efforts of all participating students and encouraged them to continue engaging in such academic competitions.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| 17 <sup>th</sup> Feb 2026 | <b>COMMENCEMENT OF CBSE BOARD EXAMINATIONS</b>           | The Class X CBSE Board Examinations commenced on 17 February 2026 and continued until 09 March 2026. A total of 56 students from Visvodaya CBSE School appeared for the examinations at their allotted examination centres as per the CBSE schedule. The students attended the examinations with sincerity and confidence after systematic preparation and guidance from their teachers. The school extended necessary support and instructions to ensure that students reached their respective centres on time and followed all examination guidelines. The Board Examinations marked an important academic milestone for the Class X students, reflecting their hard work and dedication.                                                                                                                                                                                                                                                                                                                                                                     |
| 20 <sup>th</sup> Feb 2026 | <b>PRIZE DISTRIBUTION FOR RHYMES COMPETITION</b>         | On 20 February 2026, Visvodaya KG School conducted the prize distribution ceremony for the winners of the Rhymes Competition, which was held on 13 February 2026 for students of Play Group to UKG classes. The competition aimed to enhance students' confidence, pronunciation, memory skills, and stage presence. The little participants recited rhymes with enthusiasm and expression during the event. The winners were awarded prizes in appreciation of their performance, encouraging them to continue participating actively in co-curricular activities. The ceremony was joyful and motivating for all the young learners. The event concluded with appreciation for all participants and encouragement for their continued growth and confidence.                                                                                                                                                                                                                                                                                                   |
| 26 <sup>th</sup> Feb 2026 | <b>ASD SIR VISIT FOR UPCOMING CNC VISIT</b>              | On 26 February 2026, RAdm R. S. Dhaliwal, along with DGM, AGM, and Manager (MWEL), visited Visvodaya CBSE School in preparation for the upcoming CNC Visit. During the visit, the dignitaries inspected the school premises, including classrooms, corridors, library, and common areas. They reviewed the overall infrastructure and provided valuable suggestions for improvement. Specific recommendations included repainting of certain areas, ensuring cleanliness as part of a "Clean Ship" standard, replacing the floor tiles in the Library room, and carrying out modifications in the foyer area to enhance the appearance and functionality of the campus. The visit was constructive and provided clear guidance to ensure that the school premises meet the expected standards for the forthcoming CNC inspection.                                                                                                                                                                                                                                |
| 27 <sup>th</sup> Feb 2026 | <b>COMMENCEMENT OF SCHOOL RENOVATION WORKS</b>           | On 27 February 2026 onwards, renovation works were initiated at Visvodaya CBSE School in preparation for the upcoming CNC Visit. The renovation activities included improvements in infrastructure, painting works, maintenance of classrooms and common areas, and other necessary modifications to enhance the overall appearance and functionality of the school premises. The works were undertaken systematically to ensure that the campus meets the required standards and presents a well-maintained and welcoming environment. The initiative reflects the school's commitment to maintaining high-quality infrastructure and providing a conducive learning atmosphere for students.                                                                                                                                                                                                                                                                                                                                                                   |
| 28 <sup>th</sup> Feb 2026 | <b>NATIONAL SCIENCE DAY CELEBRATIONS</b>                 | On 28 February 2026, Visvodaya CBSE School celebrated National Science Day with a special assembly to highlight the importance of scientific temper and innovation among students. The assembly included speeches and presentations emphasizing the contributions of scientists and the role of science in daily life. On the same day, four students represented the school at the Interschool National Science Day Competitions held at Alwardas Public School, Gopalapatnam. They presented projects titled " <b>Smart Home Automation</b> " and " <b>Electricity Produced by Moving Car.</b> " The project " <b>Smart Home Automation</b> ", presented by Hima Chandra and Harsith Sai of Class IX, secured the <b>First Prize in the competition</b> . The winners were awarded a memento, medals, and certificates in recognition of their innovative work and presentation skills. The achievement brought great pride to the school and encouraged students to actively participate in scientific and technological advancements.                        |
| 02 <sup>nd</sup> Mar 2026 | <b>PROGRESS OF SCHOOL RENOVATION WORKS FOR CNC VISIT</b> | As on 02 March 2026, the renovation works undertaken at Visvodaya CBSE School in preparation for the upcoming CNC Visit were progressing steadily. Various improvement activities such as painting, maintenance of classrooms, cleaning of premises, and infrastructure modifications were carried out to enhance the overall appearance of the campus. By this date, most of the renovation works had been completed, and the remaining minor works were in the final stages. The efforts ensured that the school premises were well-prepared and maintained according to the required standards for the forthcoming CNC visit.                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| 03 <sup>rd</sup> Mar 2026 | <b>CNC VISIT</b>                                         | On 03 March 2026, Visvodaya CBSE School had the honour of hosting the most prestigious CNC Visit. RAdm Gautam Marwaha, VSM, CSO (Tech) and RAdm R. S. Dhaliwal, ASD (Naval Dockyard, Visakhapatnam) visited the school along with other distinguished Naval dignitaries. During the visit, School Correspondent Shri G. Vidhya Sagar presented a detailed briefing about the school's history, achievements, and awards. The dignitaries then visited important facilities including the Computer Lab and the Atal Tinkering Lab. At the Atal Tinkering Lab, students showcased their innovative projects. The dignitaries interacted with the students and appreciated their creativity and technical knowledge. The interaction encouraged students to further develop their scientific and innovative skills. The visiting dignitaries expressed their appreciation and gave positive feedback about the school's infrastructure, academic standards, and student initiatives, making the visit a memorable and proud moment for the entire school community. |

| 06 <sup>th</sup> Mar 2026 | <b>SAFETY WEEK COMPETITIONS</b>                           | On 06 March 2026, Visvodaya CBSE School conducted various competitions as part of Safety Week Celebrations to create awareness among students about the importance of safety in daily life. Students from Classes III to IX actively participated in Poster Making, Slogan Writing, and Essay Writing competitions, based on the theme "Safety." The activities encouraged students to express their ideas on safety awareness, precautionary measures, and responsible behaviour. During the event, three officers from Naval Dockyard visited the school to observe the competitions. They reviewed the activities and collected the participant details and competition data. The competitions were conducted successfully with enthusiastic participation from students, helping to promote awareness and understanding of safety practices among young learners.                                                                                                    |
| 07 <sup>th</sup> Mar 2026 | <b>COMMENCEMENT OF TERM-II ANNUAL EXAMINATIONS</b>        | From 07 March 2026 onwards, Visvodaya CBSE School commenced the Term-II Annual Examinations for students from Play Group to Class IX. The examinations were conducted as part of the academic evaluation process to assess students' learning outcomes and overall academic progress during the academic year. Students appeared for the examinations with sincerity and discipline. The school ensured that the exams were conducted in a smooth and systematic manner under the supervision of teachers, maintaining a proper and fair examination environment.                                                                                                                                                                                                                                                                                                                                                                                                        |
| 09 <sup>th</sup> Mar 2026 | <b>WOMEN'S DAY CELEBRATIONS</b>                           | On 09 March 2026, Visvodaya CBSE School celebrated International Women's Day with great enthusiasm for the lady teachers of the school. The celebration recognized and appreciated the valuable contributions of women in education and society. Staff members gathered to extend their greetings and appreciation to the lady teachers for their dedication and commitment to nurturing students. The event created a joyful and respectful atmosphere, highlighting the importance of empowering women and acknowledging their role in shaping future generations. The celebration concluded on a positive and memorable note.                                                                                                                                                                                                                                                                                                                                         |
| 13 <sup>th</sup> Mar 2026 | <b>NATIONAL SCIENCE OLYMPIAD CERTIFICATE DISTRIBUTION</b> | On 13 March 2026, Visvodaya CBSE School distributed certificates for the National Science Olympiad (NSO) winners during a special gathering. A total of 20 students from Classes III to IX had participated in the Olympiad. Among them, two students secured Gold Medals along with Merit Certificates for their outstanding performance. The remaining participants were awarded participation certificates in recognition of their efforts and involvement. The achievers were congratulated and appreciated for their performance, which encouraged other students to actively participate in academic competitions and develop their scientific knowledge and analytical skills.                                                                                                                                                                                                                                                                                    |
| 16 <sup>th</sup> Mar 2026 | <b>REPORT ON ADMISSION TEST FOR ACADEMIC YEAR 2026-27</b> | On 16 March 2026, Visvodaya CBSE School conducted the Admission Test for students seeking admission from Play Group to Class IX for the Academic Year 2026-27. The test was organized for first and second priority categories, which included children of Naval Dockyard and Navy employee's children's. The examination process was carried out in a smooth and systematic manner under the supervision of teachers and school authorities. The admission test aimed to assess the basic aptitude and readiness of students for their respective classes. The school ensured a fair and transparent process, providing equal opportunity to all eligible candidates.                                                                                                                                                                                                                                                                                                   |
| 17 <sup>th</sup> Mar 2026 | <b>TRAINING PROGRAMME ON A.I AND ETHICS</b>               | From 17 March 2026 to 19 March 2026, Visvodaya CBSE School organized a training programme on "Artificial Intelligence and Ethics" for 42 students of Classes VI to X at the school Computer Lab. The sessions were conducted by Mr. Naser Ghazanfer, Edufluencer from IIT Hyderabad, who served as the resource person. The training focused on introducing students to the fundamentals of Artificial Intelligence, its real-world applications, and the importance of ethical practices in technology usage. Students actively participated in the sessions, gaining valuable insights into responsible use of AI, critical thinking, and future technological trends. The programme was interactive and informative, enhancing students' awareness and interest in emerging technologies. The training concluded successfully, providing students with a strong foundation in AI concepts along with an understanding of ethical considerations in the digital world. |
| 23 <sup>rd</sup> Mar 2026 | <b>TEACHERS' TRAINING PROGRAMME</b>                       | On 23 March 2026, Visvodaya CBSE School conducted a Teachers' Training Programme in accordance with CBSE guidelines. The training session was on the topic "Financial Literacy and Retirement Planning" and was delivered by Mr. Krishnam Raju, the resource person for the programme. The session focused on creating awareness among teachers about financial management, savings, investment options, and planning for a secure retirement. Teachers actively participated in the session and gained valuable knowledge on managing personal finances effectively and planning for long-term financial security. The training was informative and beneficial, contributing to the professional and personal development of the staff. The programme was successfully conducted, reinforcing the importance of financial awareness among educators.                                                                                                                    |
| 28 <sup>th</sup> Mar 2026 | <b>PARENT-TEACHER MEETING</b>                             | Visvodaya CBSE School conducted the Grand Parent-Teacher Association (PTA) Meeting to discuss Annual Examination performance of students. The meeting for Class IX was held on 23 March 2026, followed by the meeting for Classes I to VIII on 28 March 2026. The objective of the meeting was to review students' academic progress and provide constructive feedback to parents. Teachers shared detailed insights into students' performance, strengths, and areas for improvement. Parents were guided on how to support their children's learning and overall development at home. The meetings were conducted in a well-organized and interactive manner, strengthening the collaboration between parents and teachers for the academic success of students.                                                                                                                                                                                                       |

|                           |                                                                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

| 01 <sup>st</sup> Apr 2026 | <b>FIRST DAY OF SCHOOL ACTIVITIES</b>                              | On 01 April 2026, Visvodaya CBSE School marked the first day of the Academic Year 2026–27 with enthusiasm and positive energy. The day began with a welcome assembly, where students were greeted and encouraged for the new academic session. Teachers guided students about school rules, discipline, academic plans, and co-curricular activities for the year. Special activities were conducted to help students interact, feel comfortable, and build confidence in their new classes. The atmosphere was cheerful as students reconnected with their peers and teachers. The first day set a positive tone for the academic year, inspiring students to work towards excellence and holistic development.                                                                                             |
| 09 <sup>th</sup> Apr 2026 | <b>VIDYA KIRAN AWARD ACHIEVEMENT</b>                               | On 09 April 2026, Visvodaya CBSE School proudly celebrated the achievement of three outstanding students who were honored with the prestigious Vidya Kiran Award. The awardees are Jyotirmai (Class VIII), Anumita (Class IX), and Tejasvi (Class X). The selection was made by the organizing body through online student interviews, recognizing their academic excellence and overall performance. Each of the selected students received a certificate and a cheque of ₹1000 as a token of appreciation. This accomplishment brought great pride to the school and inspired other students to strive for excellence.                                                                                                                                                                                     |
| 10 <sup>th</sup> Apr 2026 | <b>SECOND PHASE ADMISSION TEST</b>                                 | On 10 April 2026, Visvodaya CBSE School conducted the Second Phase Admission Test for all priority category students, based on the availability of vacancies for the Academic Year 2026–27. The test was organized in a smooth and systematic manner under the supervision of school authorities. It aimed to assess the aptitude and readiness of applicants for admission into various classes. The process was carried out transparently, ensuring equal opportunity for all eligible candidates. The successful conduct of the second phase facilitated the completion of admissions in a fair and efficient manner.                                                                                                                                                                                     |
| 15 <sup>th</sup> Apr 2026 | <b>DIGITAL AWARENESS SESSION FOR TEACHERS</b>                      | On 15 April 2025, Visvodaya CBSE School conducted a Digital Awareness Session for teachers to enhance their technological skills and promote effective use of digital tools in education. The session focused on practical training in Google Sheets, Google Forms, and other digital activities useful for academic and administrative purposes. Teachers were guided on creating spreadsheets for data management, designing online forms for assessments and feedback, and utilizing digital platforms for efficient classroom practices. The training was interactive and informative, enabling teachers to strengthen their digital competency and integrate technology effectively into teaching–learning processes. The session contributed to improving overall digital proficiency among the staff. |
| 15 <sup>th</sup> Apr 2026 | <b>CBSE CLASS X RESULTS</b>                                        | On 15 April 2026, Visvodaya CBSE School proudly announced the Class X CBSE Board Examination Results, achieving an outstanding 100% pass result. Adding to this remarkable achievement, Nadhini Sahoo secured an exceptional 97%, marking one of the highest scores in the school's history. This accomplishment reflects the dedication, hard work, and consistent efforts of the student, along with the guidance and support of teachers and parents. The excellent results brought immense pride to the school and highlighted its commitment to academic excellence. The management and staff congratulated all students for their success and wished them a bright future.                                                                                                                             |
| 16 <sup>th</sup> Apr 2026 | <b>INTER-HOUSE INDOOR SPORTS COMPETITION</b>                       | From 16 April to 22 April 2026, Visvodaya CBSE School conducted an Inter-House Indoor Sports Competition with great enthusiasm and active participation from students. The competitions included Table Tennis, Chess, and Carrom Board, providing students with opportunities to showcase their skills, strategic thinking, and sportsmanship. Students from different houses participated with competitive spirit and teamwork. The event was conducted smoothly under the supervision of teachers, ensuring fair play and discipline throughout. The competition not only promoted physical and mental agility but also encouraged healthy competition among students.                                                                                                                                     |
| 17 <sup>th</sup> Apr 2026 | <b>VALEDICTORY FUNCTION OF SAFETY WEEK</b>                         | On 17 April 2026, students of Visvodaya CBSE School attended the Valedictory Function of Safety Week held at the Naval Dockyard. The students participated in the programme based on their performance in the Safety Week competitions, including Essay Writing and Poster Making. The winners were awarded prizes by Naval officials in recognition of their creativity and awareness on safety-related themes. The event provided a proud moment for the students as they were appreciated at a prestigious platform. It also reinforced the importance of safety awareness and responsible behaviour among young learners. The programme concluded on a memorable note, motivating students to actively engage in such meaningful initiatives.                                                            |
| 22 <sup>nd</sup> Apr 2026 | <b>EARTH DAY CELEBRATIONS – INTER-SCHOOL PARTICIPATION</b>         | On 22 April 2026, students of Visvodaya CBSE School actively participated in Earth Day Celebrations organized by The Hindu at Visakha Valley School, Visakhapatnam. A total of 12 students from Classes VI to X took part in the Poster Making Competition, while 4 students participated in the Project Display. The students showcased their creativity and environmental awareness through their presentations. The project titled “Smart Home Automation”, prepared by Hima Chandra and Harsith Sai of Class X, received the Best Project Award. They were honoured with medals and certificates for their outstanding work and innovation. The participation and achievement brought great pride to the school and encouraged students to actively engage in environmental and scientific activities.   |
| 29 <sup>th</sup> Apr 2026 | <b>REASSESSMENT INTERVIEWS FOR TEACHING AND NON-TEACHING STAFF</b> | On 29 April and 30 April 2026, Visvodaya CBSE School conducted Reassessment Interviews for both teaching and non-teaching staff to evaluate their skills, subject knowledge, professional competency, and overall performance.<br><b>The reassessment process was conducted by an esteemed panel comprising:</b><br>Cdr. Pooja Rajput, MPS Dept<br>Ms. Nandita Tirkey, MPER                                                                                                                                                                                                                                                                                                                                                                                                                                  |

|                           |                                                                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |

The interviews were conducted in a systematic and professional manner, aiming to maintain high academic and administrative standards within the institution and to encourage continuous professional development among staff members.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| 29 <sup>th</sup> May 2026 | <b><u>STAFF RECRUITMENT FOR ACADEMIC YEAR 2026–27</u></b>               | <p>As part of the preparations for the Academic Year 2026–27, Visvodaya CBSE School conducted a Staff Recruitment Drive on 29 and 30 May 2026 to fill various academic and administrative positions, including Vice Principal, TGT Mathematics, TGT Physics, PRT English/Social Studies, Montessori Teacher, Music Teacher, and Floor Coordinator. The recruitment process involved interviews and assessments to evaluate the candidates' qualifications, subject knowledge, teaching skills, communication abilities, and professional competence. The interviews were conducted by the Board President and Board Members comprising Naval officials, ensuring a transparent, fair, and merit-based selection process. The panel carefully assessed the candidates to identify qualified and dedicated professionals who would contribute to the school's academic excellence and overall development. The recruitment drive was conducted successfully, strengthening the school's commitment to providing quality education and maintaining high standards in teaching and administration.</p> |
| 01 <sup>st</sup> Jun 2026 | <b><u>TEACHERS' YOGA AND MEDITATION SESSION</u></b>                     | <p>From 01 June to 05 June 2026, Visvodaya CBSE School conducted a Teachers' Training Session as part of its continuous professional development programme. The training commenced with a Meditation and Mindfulness Activity aimed at promoting the well-being, mental wellness, and stress management of teachers. The session helped participants relax, improve focus, and cultivate a positive mindset before the start of the academic year. Throughout the training programme, teachers actively participated in various sessions designed to enhance their professional skills and teaching effectiveness. The mindfulness activities were well received and contributed to creating a calm, focused, and productive learning environment for the staff. The programme concluded successfully, reinforcing the importance of both professional growth and personal well-being among educators.</p>                                                                                                                                                                                         |
| 01 <sup>st</sup> Jun 2026 | <b><u>TEACHERS' TRAINING PROGRAMME – KUSHAL BODH ACTIVITIES</u></b>     | <p>From 01 June to 05 June 2026, Visvodaya CBSE School conducted a teachers' training programme focusing on the effective implementation of Kushal Bodh Activities. During the training, teachers were guided on planning and conducting interactive, activity-based, and experiential learning sessions aligned with their respective subjects. Daily sessions were organized to familiarize teachers with innovative teaching strategies, student engagement techniques, and practical classroom applications of Kushal Bodh activities. The programme enabled teachers to enhance their pedagogical skills and prepared them to create more engaging and meaningful learning experiences for students. The training was informative, collaborative, and beneficial for the effective implementation of experiential learning practices in the classroom.</p>                                                                                                                                                                                                                                    |
| 16 <sup>th</sup> Jun 2026 | <b><u>INTERNATIONAL YOGA DAY COMPETITIONS</u></b>                       | <p>On 16 June 2026, as part of the International Yoga Day celebrations, Naval Dockyard organized Essay Writing and Poster Making Competitions for students of Classes IV to X. Students participated enthusiastically in both competitions, expressing their understanding of the importance of yoga, physical fitness, mental well-being, and healthy living. Through their essays and creative posters, students highlighted the benefits of practicing yoga in daily life. The competitions were conducted successfully, and the results were announced, recognizing the efforts and talents of the participants. The event helped create awareness about the significance of yoga and encouraged students to adopt healthy lifestyle practices. The school appreciated all participants for their active involvement and commitment to promoting the message of health and wellness. We are delighted to announce the winners of the International Yoga Day Competitions.</p>                                                                                                                  |
| 16 <sup>th</sup> Jun 2026 | <b><u>THIRD PHASE ADMISSION TEST</u></b>                                | <p>On 16 June 2026, Visvodaya CBSE School conducted the Third Phase Admission Test for students seeking admission to Classes Play Group to VIII for the Academic Year 2026–27. The admission test was conducted to fill the remaining vacancies in various classes. Eligible candidates appeared for the test, which was organized in a smooth and systematic manner under the supervision of the school authorities. The assessment aimed to evaluate the students' aptitude and readiness for admission to their respective classes. The entire process was conducted fairly and transparently, ensuring equal opportunity for all applicants. The successful completion of the Third Phase Admission Test marked another important step in the school's admission process for the academic year.</p>                                                                                                                                                                                                                                                                                            |
| 17 <sup>th</sup> Jun 2026 | <b><u>IIT HYDERABAD SKILL CHAMPIONSHIP CERTIFICATE DISTRIBUTION</u></b> | <p>On 17 June 2026, Visvodaya CBSE School distributed participation certificates to 47 students who took part in the IIT Hyderabad Skill Championship. The certificate distribution programme was conducted at the school premises. The students had earlier undergone training sessions on Python Programming at the school Computer Lab, conducted by a resource person from IIT Hyderabad. The programme provided students with valuable exposure to coding concepts, logical thinking, and practical applications of programming. The certificates were awarded in recognition of the students' active participation and successful completion of the championship activities. The initiative helped foster interest in technology and programming among students and encouraged them to pursue further learning in emerging fields. The</p>                                                                                                                                                                                                                                                   |

|                           |                                                                          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

| 19 <sup>th</sup> Jun 2026 | <b><u>INTERNATIONAL YOGA DAY CELEBRATIONS</u></b>                        | On 19 June 2026, Visvodaya CBSE School celebrated International Yoga Day with great enthusiasm. As part of the celebrations, yoga activities were conducted on the school assembly ground for students from Classes I to X. The session was led by the Physical Education Teacher (PET), who guided students through various yoga postures, breathing exercises, and relaxation techniques. Students actively participated and learned about the importance of yoga in maintaining physical fitness, mental well-being, and a healthy lifestyle. The programme helped create awareness about the benefits of regular yoga practice and encouraged students to incorporate healthy habits into their daily routine. The celebration was a meaningful and enriching experience for all participants.                                                |
| 23 <sup>rd</sup> Jun 2026 | <b><u>INTERNATIONAL OLYMPIC DAY SPECIAL ASSEMBLY</u></b>                 | On 23 June 2026, Visvodaya CBSE School conducted a Special Assembly to commemorate International Olympic Day. The programme aimed to create awareness among students about the Olympic Movement and the values of excellence, friendship, and respect. During the assembly, students delivered speeches highlighting the history and significance of the Olympic Games. The importance of sports, physical fitness, teamwork, and sportsmanship was emphasized through various presentations and activities. Teachers encouraged students to actively participate in sports and adopt a healthy lifestyle. The special assembly inspired students to uphold the Olympic values and strive for excellence in both academics and sports. The programme concluded successfully, fostering enthusiasm and appreciation for sports among the students. |
| 24 <sup>th</sup> Jun 2026 | <b><u>NCC CAMP PARTICIPATION CERTIFICATE DISTRIBUTION</u></b>            | On 24 June 2026, Visvodaya CBSE School organized a Certificate Distribution Programme for NCC cadets who had successfully participated in various NCC Camps. The participation certificates were distributed in recognition of the cadets' dedication, discipline, and active involvement in NCC training and camp activities. The programme acknowledged the efforts of the cadets in developing leadership qualities, teamwork, self-confidence, and a spirit of service. The school appreciated the commitment and achievements of the NCC cadets and encouraged them to continue participating in NCC activities that contribute to their overall personality development and nation-building values. The programme concluded with congratulations to all the certificate recipients for their commendable participation and accomplishments. |
| 24 <sup>th</sup> Jun 2026 | <b><u>NATIONAL-LEVEL SPORTS ACHIEVEMENT CERTIFICATE DISTRIBUTION</u></b> | On 24 June 2026, Visvodaya CBSE School proudly recognized and felicitated students who participated in National-Level Cricket and Volleyball Competitions held at Hyderabad. M. Harsha of Class IX secured the Second Position in Cricket, bringing laurels to the school through his outstanding performance. In the Volleyball competition, P. Haneesh and Guna Sekhar of Class VIII achieved the Third Position, showcasing excellent teamwork and sportsmanship. The students were awarded certificates in recognition of their achievements at the national level. Their success reflects the school's commitment to promoting excellence in sports and encouraging students to participate in competitive events. The school congratulated the achievers and wished them continued success in their future sporting endeavors.              |
| 25 <sup>th</sup> Jun 2026 | <b><u>ID CARD PHOTO SESSION</u></b>                                      | From 23 June to 25 June 2026, Visvodaya CBSE School conducted an ID Card Photo Session for all students and staff members. The photo session was organized as part of the process for issuing and updating Student and Staff Identity Cards for the Academic Year 2026–27. Photographs were taken systematically class-wise and department-wise to ensure smooth conduct of the activity. The programme was carried out efficiently with the cooperation of students, teachers, and non-teaching staff. The updated ID cards will help strengthen identification, security, and administrative processes within the school campus. The activity was completed successfully and according to the planned schedule.                                                                                                                                 |
| 29 <sup>th</sup> Jun 2026 | <b><u>TEACHERS' TRAINING PROGRAMME</u></b>                               | On 29 June 2026, Visvodaya KG School conducted a Teachers' Training Programme on Innovative Pedagogies for the KG teaching staff. The training session was facilitated by Mrs. Chandrashekhar and Mrs. Kavya, who served as the resource persons. The programme focused on introducing innovative teaching methodologies, child-centric learning approaches, and engaging classroom practices to enhance the learning experience of young children. The resource persons demonstrated various interactive techniques and activity-based strategies that promote creativity, communication, and holistic development among kindergarten students. The teachers actively participated in the session and gained valuable insights into effective early childhood education practices.                                                               |
| 29 <sup>th</sup> Jun 2026 | <b><u>MONTHLY TESTS</u></b>                                              | From 29 June to 01 July 2026, Visvodaya CBSE School conducted the Monthly Tests for students of Classes I to X. The tests were organized to assess students' understanding of the topics covered during the month and to monitor their academic progress. Students appeared for the examinations with sincerity and discipline under the supervision of the teaching staff. The Monthly Tests provided teachers with an opportunity to evaluate students' learning outcomes, identify areas requiring improvement, and plan appropriate remedial measures. The examinations were conducted smoothly and in accordance with the school schedule.                                                                                                                                                                                                   |
| 30 <sup>th</sup> Jun 2026 | <b><u>DOCTORS' DAY CELEBRATIONS</u></b>                                  | On 30 June 2026, Visvodaya KG School celebrated Doctors' Day with enthusiasm to create awareness among young learners about the invaluable service of doctors in society. The celebration included a special assembly, role-play activities, and interactive sessions where students dressed as doctors and learned about the importance of maintaining good health and expressing gratitude to healthcare professionals.                                                                                                                                                                                                                                                                                                                                                                                                                         |

|                           |                                                                                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

| 01 <sup>st</sup> Jul 2026 | <b><u>ATAL LAB TRAINING SESSION</u></b>                                             | On 01 July 2026, Visvodaya CBSE School organized a training session on the Atal Tinkering Lab (ATL) for the Computer Teacher. The session was conducted by a resource person from STEMROBO, who provided comprehensive guidance on the effective utilization of the ATL facilities, equipment, and STEM learning resources. The training covered the operation of ATL tools, project-based learning methodologies, and innovative approaches to fostering creativity, critical thinking, and problem-solving skills among students. The session enhanced the teacher's technical knowledge and preparedness to effectively implement ATL activities, thereby promoting innovation and experiential learning in the school.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| 02 <sup>nd</sup> Jul 2026 | <b><u>FELICITATION OF DISTRICT SKATING CHAMPIONSHIP WINNER</u></b>                  | On 02 July 2026, Visvodaya CBSE School felicitated G. Shyam Sasidhar of Class III during the morning assembly for his outstanding achievement in the District Skating Championship held on 28 June 2026 at Vaishaki Sports Park, Murali Nagar. G. Shyam Sasidhar secured the Gold Medal in the championship, bringing pride and recognition to the school. During the assembly, he was congratulated and appreciated by the Principal, teachers, and fellow students for his remarkable performance and dedication to sports. The felicitation ceremony inspired other students to pursue excellence in sports and co-curricular activities while upholding the values of determination, discipline, and perseverance.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| 03 <sup>rd</sup> Jul 2026 | <b><u>MUD DAY CELEBRATIONS</u></b>                                                  | On 03 July 2026 for Play School and 04 July 2026 for LKG and UKG, Visvodaya KG School celebrated Mud Day with great enthusiasm and active participation from students and their parents. The event was designed to provide children with a joyful hands-on learning experience through various mud-based activities. Students explored, created, and played with mud, which helped enhance their sensory development, creativity, imagination, and fine motor skills. Parents enthusiastically joined the activities, making the celebration more interactive and memorable. Their participation strengthened the bond between home and school while encouraging experiential learning in a fun-filled environment.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |
| 06 <sup>th</sup> Jul 2026 | <b><u>DEPUTY COLLECTOR VISIT</u></b>                                                | On 06 July 2026, Smt. J. Madhavi, Deputy Collector, Visakhapatnam Tourism, visited Meghadripeta Colony in connection with the SIR Survey. As part of her visit, she also visited Visvodaya CBSE School and met with the School Correspondent, Shri G. Vidhya Sagar. During the interaction, they discussed matters related to the survey and the school's role within the local community. The visit was cordial and provided an opportunity for meaningful interaction between the district administration and the school management.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| 06 <sup>th</sup> Jul 2026 | <b><u>CBSE TRAINING PROGRAMME ON SKILL EDUCATION</u></b>                            | On 06 July 2026, two teachers from Visvodaya CBSE School attended a CBSE Training Programme on Skill Education – Kushal Bodh held at PM SHRI Jawahar Navodaya Vidyalaya, Kommadi, Visakhapatnam. The training programme focused on the effective implementation of Kushal Bodh, emphasizing skill-based, experiential, and activity-oriented learning as envisaged in the National Education Policy (NEP) 2020 and CBSE guidelines. The resource persons shared practical teaching strategies, classroom activities, and innovative approaches to integrate skill education into regular classroom practices. The participating teachers gained valuable insights and knowledge, which will help strengthen the implementation of skill-based education and enhance students' learning experiences at the school.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
| 07 <sup>th</sup> Jul 2026 | <b><u>ARTICIPATION IN CBSE REGIONAL SKILL EXPO &amp; GUIDANCE FESTIVAL 2026</u></b> | On 07 July 2026, Visvodaya CBSE School proudly participated in the CBSE Regional Skill Expo & Guidance Festival 2026 held at Visakha Valley School, Visakhapatnam. Two student teams, accompanied by the Principal and teachers, represented the school by showcasing innovative projects.<br>The first project, "Women's Entrepreneur Corner" under the theme "Hobby to Earning – How to Earn from Hobby," was presented by Subhadra Soren and Jyothirmayi K. (Class IX) under the guidance of Sk. Basreena, TGT Social Science. The students displayed eco-friendly handmade products, including natural leaf and paper flower bouquets, seashell craft ornaments, coconut leaf baskets, and other sustainable craft items, highlighting how hobbies can be transformed into entrepreneurial opportunities. The project received excellent appreciation from visitors, and the team was interviewed by Eenadu Media. The project was also featured in Eenadu and other local newspapers.<br>The second project, "Power BI" under the theme "Cyber Security," was presented by Karthik Brahma and Lokamanikanta (Class X) under the guidance of Karthik P., TGT Computer Science. The students demonstrated the use of Power BI for data visualization and explained its applications in promoting cyber security awareness and digital literacy.<br>As part of the event, students and teachers also attended the Career Guidance Festival, where experts shared valuable information on higher education, emerging career opportunities, skill development, and future-ready professions.<br>The participation provided an excellent platform for students to exhibit their creativity, innovation, entrepreneurial mindset, and technological skills. The school sincerely thanks the Management and the Principal for providing this valuable opportunity to represent Visvodaya CBSE School at this prestigious CBSE event. |
| 08 <sup>th</sup> Jul 2026 | <b><u>VISIT OF NAVAL DIGNITARIES</u></b>                                            | On 08 July 2026, Capt. Pradyumn Joshi and Capt. Prasanjit Kumar Mishra, DGM, visited Visvodaya CBSE School. During the visit, School Correspondent Shri G. Vidhya Sagar presented a comprehensive overview of the school's history, academic achievements, infrastructure, and recent accomplishments through a presentation. The dignitaries also visited the Computer Lab, Atal Tinkering Lab, and other important facilities, and inspected the school premises. The visitors appreciated the school's infrastructure, innovative learning environment, and the efforts taken towards providing quality education. The visit was interactive and encouraging, reflecting the continued support of the Naval authorities towards the school's development.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |

|                           |                                                                                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

| 09 <sup>th</sup> Jul 2026 | <b><u>HINDI OLYMPIAD<br/>CERTIFICATE<br/>DISTRIBUTION</u></b>                     | On 09 July 2026, Visvodaya CBSE School distributed Hindi Olympiad certificates and medals during the morning school assembly. A total of four students were honoured with Gold Medals and Merit Certificates for their outstanding performance in the Olympiad. In addition, 201 students from I to X classes received Participation Certificates in recognition of their enthusiastic participation. The achievers were congratulated by the Principal and teachers for their excellent performance. The certificate distribution ceremony motivated students to actively participate in academic competitions and enhance their language proficiency. The event concluded with appreciation for all the participants and encouragement to continue striving for excellence in future Olympiads.                                                                                                                                                                                                                       |
| 14 <sup>th</sup> Jul 2026 | <b><u>LIBRARY BOOK<br/>CAMPAIGN – SUGGESTION<br/>DRIVE</u></b>                    | On 14 July 2026, Visvodaya CBSE School conducted a Library Book Campaign – Suggestion Drive for students. The campaign encouraged students to recommend books that they would like to see added to the school library. Students actively shared their suggestions across various categories, including literature, science, technology, biographies, general knowledge, and inspirational books. The initiative aimed to promote reading habits, develop a love for books, and make the school library more student-centric by incorporating their interests and preferences. The suggestions received will be considered for enriching the library collection. The campaign was well received by the students and reflected the school's commitment to fostering a strong reading culture and lifelong learning.                                                                                                                                                                                                       |
| 15 <sup>th</sup> Jul 2026 | <b><u>INDEPENDENCE DAY<br/>COMPETITIONS</u></b>                                   | On 15 July 2026, Visvodaya CBSE School conducted Painting and Essay Writing Competitions as part of the Independence Day 2026 celebrations, in accordance with the guidelines issued through the MyGov Portal. A total of 61 students from Classes IV to VI enthusiastically participated in the competitions, expressing their patriotism, creativity, and thoughts on the values of freedom, unity, and nation-building through paintings and essays. The students' artworks and essays were uploaded to the MyGov Portal as per the prescribed guidelines. The activity provided an excellent platform for students to showcase their artistic and literary talents while fostering national pride and awareness of India's rich heritage. The competitions were conducted successfully under the guidance of the teaching staff, with active participation from all the students.                                                                                                                                   |
| 15 <sup>th</sup> Jul 2026 | <b><u>SCIENTIFIC QUIZ<br/>COMPETITION BY<br/>DOCKYARD LABORATORY<br/>TEAM</u></b> | On 15 July 2026, Visvodaya CBSE School organized a Scientific Quiz Competition for 63 students of Class X as part of the Golden Jubilee Celebrations of the Central Dockyard Laboratory, Naval Dockyard and Visakhapatnam. A team of 10 scientists and technical experts from the Central Dockyard Laboratory visited the school and conducted interactive demonstrations of Physics and Chemistry experiments using scientific equipment. The experts explained various scientific concepts through practical experiments, making the session highly engaging and informative. Following the demonstrations, a scientific quiz competition was conducted to assess the students' understanding and encourage scientific thinking. The programme provided students with valuable exposure to practical science, inspired curiosity, and enhanced their interest in scientific learning. The event concluded successfully, with students actively participating and benefiting from the interactive learning experience. |
| 17 <sup>th</sup> Jul 2026 | <b><u>NCC SELECTION<br/>PROCESS</u></b>                                           | On 17 July 2026, Visvodaya CBSE School conducted the NCC Cadet Selection Process for students of Classes VIII and IX in collaboration with the 3(A) Naval NCC Unit, Visakhapatnam. The selection was carried out by officials from the 3(A) Naval NCC Unit, who assessed the students based on their physical fitness, discipline, confidence, and overall suitability for enrolment into the National Cadet Corps (NCC). A large number of students participated enthusiastically in the selection process, demonstrating keen interest in becoming NCC cadets. The programme aimed to identify motivated students who would be trained in leadership, discipline, teamwork, and patriotism through NCC activities. The selection process was conducted smoothly and successfully under the supervision of the NCC officials and school staff.                                                                                                                                                                         |
| 17 <sup>th</sup> Jul 2026 | <b><u>RED DAY CELEBRATIONS<br/>AT KG SCHOOL</u></b>                               | On 17 July 2026, Visvodaya KG School celebrated Red Day with great enthusiasm for students from Play Group to UKG. The celebration aimed to help children recognize and understand the significance of the red colour through a variety of fun-filled and interactive activities. Students came dressed in red attire and participated in activities such as identifying red objects, singing rhymes, storytelling, art and craft, and classroom displays based on the theme. The event created a joyful learning environment, enhancing the children's colour recognition, observation skills, and creativity. Teachers explained the importance of the colour red through age-appropriate activities, making the learning experience enjoyable and memorable. The Red Day celebration concluded successfully with active participation from both students and teachers, promoting experiential learning in a vibrant and engaging atmosphere.                                                                         |
| 22 <sup>th</sup> Jul 2026 | <b><u>RECRUITMENT FOR TGT<br/>MATHEMATICS TEACHER</u></b>                         | On 22 July 2026, Visvodaya CBSE School conducted a recruitment interview for the post of TGT Mathematics Teacher. The interview process was carried out by a selection panel comprising two Naval officers, the School Correspondent, Shri G. Vidhya Sagar, and the Vice Principal. The candidates were assessed on their subject knowledge, teaching methodology, communication skills, classroom management, and overall professional competence. The recruitment process was conducted in a fair, transparent, and systematic manner to select a qualified and competent teacher who would contribute to the school's commitment to academic excellence. The interview concluded successfully with the active participation of the selection panel and prospective candidates.                                                                                                                                                                                                                                       |

|                           |                                                                           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |

| 23 <sup>rd</sup> Jul 2026 | <b><u>PERIODIC TEST-I<br/>EXAMINATIONS</u></b>                            | From 23 July to 30 July 2026, Visvodaya CBSE School conducted the Periodic Test-I Examinations for students of Classes I to X. The examinations were organized as part of the school's continuous assessment programme to evaluate students' understanding of the concepts taught during the first term. Students appeared for the tests with sincerity and discipline, while teachers ensured the smooth and fair conduct of the examinations. The assessment provided valuable insights into students' academic progress, enabling teachers to identify learning gaps and plan appropriate remedial measures. The examinations were conducted successfully in a well-organized and disciplined manner, reflecting the school's commitment to maintaining high academic standards.                                                                                                                                                                                                                                                                         |
| 24 <sup>th</sup> Jul 2026 | <b><u>KARGIL VIJAY DIWAS<br/>CELEBRATIONS AT KG<br/>SCHOOL</u></b>        | On 24 July 2026, Visvodaya KG School observed Kargil Vijay Diwas with great respect and patriotism to commemorate the bravery and sacrifice of the Indian Armed Forces during the Kargil War. A special assembly was conducted where teachers explained the significance of Kargil Vijay Diwas in a simple and age-appropriate manner. Students participated in patriotic songs, speeches, and other activities that instilled the values of courage, patriotism, and gratitude towards the nation's heroes. The celebration helped young learners understand the importance of the Armed Forces and inspired them to respect and honour the sacrifices made by the soldiers in safeguarding the nation. The programme concluded successfully, fostering a sense of national pride and patriotism among the students.                                                                                                                                                                                                                                       |
| 27 <sup>th</sup> Jul 2026 | <b><u>ECO CLUB ACTIVITIES</u></b>                                         | On 27 July 2026, Visvodaya CBSE School conducted Eco Club Activities for students of Classes V to VII to promote environmental awareness and sustainable practices. The activities were organized around the themes of Water Conservation Relay, Waste Segregation Activity, and Rainwater Harvesting Demonstration. Students learned the importance of proper waste segregation for effective recycling, and observed a demonstration on rainwater harvesting to understand the significance of conserving water resources. The programme encouraged students to adopt eco-friendly habits, develop environmental responsibility, and contribute towards building a cleaner and greener future. The activities were interactive, informative, and successfully achieved their objective of creating awareness about environmental conservation.                                                                                                                                                                                                            |
| 29 <sup>th</sup> Jul 2026 | <b><u>INTERNATIONAL TIGER<br/>DAY CELEBRATION</u></b>                     | On 29 July 2026, Visvodaya KG School celebrated International Tiger Day to create awareness among young learners about the importance of tiger conservation and wildlife protection. Teachers conducted interactive activities, storytelling sessions, colouring, and craft work based on the theme of tigers and forests. Students enthusiastically participated and learned about the significance of protecting endangered animals and preserving their natural habitats. The celebration helped instill environmental awareness and compassion for wildlife among the children in a fun and engaging manner.                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| 31 <sup>st</sup> Jul 2026 | <b><u>WORLD ELEPHANT DAY<br/>DRAWING AND PAINTING<br/>COMPETITION</u></b> | On 31 July 2026, Visvodaya CBSE School conducted a Drawing and Painting Competition for students of Classes I to VIII as part of the World Elephant Day Celebrations, organized by the Ministry of Environment, Forest and Climate Change, Government of India. Students participated enthusiastically, creating drawings and paintings that highlighted the importance of elephant conservation, wildlife protection, and environmental sustainability. The activity encouraged creativity while fostering awareness about the need to protect endangered species and preserve biodiversity. The students' artworks were uploaded to the designated website as per the guidelines issued by the organizers. The programme was conducted successfully and served as a meaningful initiative to promote environmental consciousness and wildlife conservation among students.                                                                                                                                                                                |
| 03 <sup>rd</sup> Aug 2026 | <b><u>INVESTITURE CEREMONY<br/>2026-27</u></b>                            | On 03 August 2026, Visvodaya CBSE School successfully conducted the Investiture Ceremony for the Student Council for the Academic Year 2026-27. The ceremony was graced by Capt. Pradumn Joshi, DGM (HRTD), Naval Dockyard, Visakhapatnam, along with the School Correspondent, Principal, Vice Principal, and teachers. During the ceremony, the newly elected student council members were formally entrusted with their responsibilities. The students took the oath of office and pledged to discharge their duties with sincerity, discipline, integrity, and dedication. The ceremony marked an important step in nurturing leadership qualities, teamwork, responsibility, and decision-making skills among students. The dignitaries and school authorities congratulated the newly appointed student leaders and encouraged them to set a positive example for their peers. The programme concluded successfully, leaving the students motivated and inspired to contribute meaningfully to the school community during the academic year 2026-27. |
| 04 <sup>th</sup> Aug 2026 | <b><u>CCTV CAMERAS<br/>INSTALLATION WORKS</u></b>                         | On 04 August 2026, CCTV camera installation work was in progress at Visvodaya CBSE School as part of strengthening the school's safety and security measures. The installation is being carried out in accordance with the applicable CBSE safety and security requirements, with CCTV coverage planned for all classrooms and other important areas of the school premises. The initiative aims to enhance student safety, campus security, monitoring, and effective supervision. The installation work is progressing systematically and will be completed as per the planned schedule.                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
| 05 <sup>th</sup> Aug 2026 | <b><u>INTER-SCHOOL THROW<br/>BALL COMPETITION</u></b>                     | On 05 August 2026, a team of 18 students from Visvodaya CBSE School represented the school in the Inter-School Throwball Competition held at Timpany School, Visakhapatnam. The students participated enthusiastically and showcased their teamwork, sportsmanship, discipline, and competitive spirit throughout the event. Their participation provided valuable exposure to inter-school competitive sports and encouraged them to develop their physical fitness and sporting skills. The school appreciated the efforts of all the participating students and wished them continued success in future sporting events.                                                                                                                                                                                                                                                                                                                                                                                                                                 |

|                           |                                                                            |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |

| 06 <sup>th</sup> Aug 2026 | <b><u>NEC JUNIOR 2026 –<br/>ENTREPRENEURSHIP<br/>CLUB INAUGURATION</u></b> | NEC Junior 2026 – Entrepreneurship Club Inauguration the NEC Junior 2026 Entrepreneurship Club on 06 Aug 2026, a prestigious initiative under the National Entrepreneurship Challenge (NEC), IIT Bombay. This serves as the first level of the NEC Junior programme, providing students with an opportunity to develop entrepreneurial thinking, creativity, innovation, leadership, teamwork, and problem-solving skills. The Entrepreneurship Club, titled "The Trail Blazers – Visvodaya", was officially launched with enthusiastic participation from 120 students of Classes VI to X. During the session, students were introduced to the objectives of NEC Junior, the importance of entrepreneurship, club activities, and the opportunities available through the programme. Five student representatives were also introduced as the core members of the Entrepreneurship Club. Students presented innovative business ideas and projects, showcasing their creativity and entrepreneurial mindset. Teacher Mentors: Mr. Santosh Kumar, Vice Principal and Mrs. Shaik Basreena, TGT Social. |
| 06 <sup>th</sup> Aug 2026 | <b><u>GMUN ORIENTATION<br/>WORKSHOP BY GITAM<br/>SCHOOL OF LAW</u></b>     | GITAM School of Law (LLB students), introducing students to the concept of the GITAM Model United Nations (GMUN) on 06 Aug 2026. The one-hour interactive workshop was attended by 120 students from Classes VIII, IX, and X. The resource persons explained the structure and significance of Model United Nations, the role of diplomacy, public speaking, critical thinking, negotiation, leadership, and global awareness. The session encouraged students to participate confidently in future MUN conferences and develop essential 21st-century skills. The workshop was highly interactive, with active participation and enthusiastic responses from the students.                                                                                                                                                                                                                                                                                                                                                                                                                           |
| 06 <sup>th</sup> Aug 2026 | <b><u>FELICITATION OF<br/>STUDENT ACHIEVERS</u></b>                        | On 06 August 2026, Visvodaya CBSE School felicitated outstanding student achievers during the morning assembly for their remarkable performances in various sports competitions.<br>1. G. Shyam Sasidhar of Class III secured the First Prize in the Rollball State Championship – Under-11 Category, held at NTR Stadium, Guntur.<br>2. K. Varshini of Class II won Gold and Bronze Medals at the 4th National Open Karate Championship, held on 02 August 2026.<br>3. S. Rudhwik of Class II secured a Silver Medal at the 4th National Open Karate Championship, held on 02 August 2026.<br>The students were felicitated and congratulated by the Principal, teachers, and fellow students for bringing laurels to the school through their dedication, discipline, and sporting excellence.                                                                                                                                                                                                                                                                                                      |
